

Petroleum Measurement Integrators Ltd.

QUALITY POLICY STATEMENT

As a leading supply & service provider for the fluid handling and instrumentation industry, PMI is committed to provide consistent high-quality products and service that will meet and exceed our customer's expectations. To achieve this, our objective will be the ongoing development of our management process to continually improve our service and better our company by:

- Continually developing the expertise, professionalism, and integrity of our people.
- Investing in new technology.
- Providing up to date product training to ensure adaptation in changing product, service, and customer standards.
- Continuous monitoring and improvement of our Quality Management System and company procedures.
- To maintain and expand upon the Measurement Canada services we provide as an Authorized Service Provider.
- Aim to improve customer satisfaction while assuring the conformity to customer and applicable statutory and regulatory requirements.

Greg Hiscock
